To,

Chief Medical & Health Officer
DPM Udaipur

Sub: Regarding Biomedical Waste Management practices

Kayakalp and QA monitoring and mentoring visit was held in CHC-Nai, Mavli and Badgaon dist. Udaipur from 13th to 15th November'18 by state QA cell. Following are the observation made by the team -

- In all visited facilities BMW rules 2016 were not being followed.
- The segregation practices related to BMW are poor in CHC Badgaon specially the management of BMW storage room.
- IEC related to BMW rules 2016 was not displayed in any of the visited facility although the same has been sent by the MH wing of the state.

Therefore, you are instructed to take necessary corrective actions for same and ensure training on BMW rules 2016 in your district. Also, ensure updated IEC related to BMW rules 2016 has reached all facilities of your districts.

Submit the compliance report for the same within 1 week.
