

U.O Note

Sub: Regarding status of progress on targeted issues identified in 12th CRM review.

Ref:U.O no. 723 dt.31.10.18

As per subject cited above, instruction has been issued to District Jodhpur and Baran to submit the compliance for the same and to take the necessary corrective action.

Also, BMW management is been handled by HA and MH division although we do ensure that in our training we do take topic related to BMW practices and monitor the same during our visits as it is one of the important component of our programme.

Enclosure: As above
